RECAP

We had a fantastic start to Semester 2! Our orientation refreshers and new student orientations allowed us to welcome both familiar and new faces, connecting with our incredible students and parents.

Juniors took an exciting step closer to their college journeys during an informative meeting, gaining valuable insights into their future paths. Meanwhile, our Principal's Honor Roll students received some well-deserved recognition—straight A's earned them an invite to a fun-filled bowling and lunch field trip coming up soon!

Looking ahead to February, we're gearing up for our **Grade Level Meet-Up & Club Fair**, giving students the perfect opportunity to explore new interests and get involved. We're also excited to come together as a community to celebrate, educate, and elevate as we immerse ourselves in **Black History Month**.

Here's to another great month ahead! 🎉

SPOTLIGHT

Ms. Gonzalez

Ms. Lisko

February 3 to February 7 marks National School Counseling Week. We would like to shine a spotlight on our incredible counselors, Ms. Gonzalez and Ms. Lisko, who tirelessly support our students and contribute to their ongoing success.
