NOVEMBER

OCTOBER RECAP

October was filled with school spirit, meaningful celebrations, and opportunities for students to connect! Baking Club mixed up delicious fall and Halloween treats, including brookies, while our other clubs kept students engaged through creativity, collaboration, and shared interests.

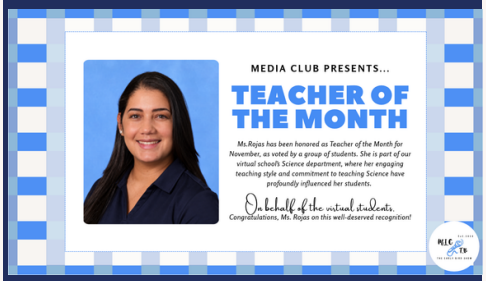

Our school community also came together for Pink October in recognition of Breast Cancer Awareness Month. Pink Wednesdays gave students and staff an opportunity to show their support for those affected and honor their strength. We wrapped up the month with Red Ribbon Week, October 26–30! With our theme, “Heroes Connect. Heroes Choose. Heroes Protect. Heroes Lead,” students celebrated healthy choices, kindness, and the everyday actions that make a difference. From superhero looks to creative Halloween costumes, it was a fun way to show school spirit while sharing an important message.

As we head into November, we look forward to more opportunities to learn, connect, and celebrate our school community. Thank you to our families for your continued support and to our students for bringing your enthusiasm and creativity to everything you do!

SPOTLIGHT

Congratulations to our 2026 NHS/NJHS Inductees! Each inductee demonstrated the qualities that define outstanding student leaders, and we are proud of their achievements.

CHARACTERISTIC OF THE MONTH
GRATITUDE

What is gratitude?
Gratitude means being thankful and sharing appreciation with others.

Teaching your child to be grateful for what he or she has will help your child to focus on the positive aspects of life. Showing gratitude fosters kindness.

Being grateful for what we have helps us focus on the positive aspects of life. Showing gratitude fosters kindness. What are small daily interactions that build character in our community and school?
