SEPTEMBER RECAP

September was full of exciting moments for our school community. We held our first grade-level meeting and welcomed many new students. Our seniors had their first senior meeting and are getting prepared for their final year—many are already gearing up for homecoming with our partner schools, and we look forward to seeing all the fun.

We also wrapped up PM 1 and diagnostic testing, and we want to thank everyone who helped make it a success.

As we head into October, we kick off Pinktober and will close the month with Red Ribbon Week.

October is also National Principal's Month. Let's take a moment to show our appreciation to our wonderful principal, Ms. Iglesias, for all she does for our school community.
